

DEAR FRIENDS IN CHRIST,

Our Faith Community Nursing program is just about ready to get off the ground. Our three nurses have finished their 6-week training as BeFriends and are now even more prepared to begin their ministry of compassionate listening and presence. The goal of our program is to promote the spiritual, physical, mental and social health needs of our parishioners, especially those who are homebound. All three nurses are trained as Eucharistic ministers and can bring the Sacrament of the Eucharist to those who would otherwise be missing it.

Watch for our brochures in the next few weeks! If you feel a need to connect with one of our nurses, just fill out your name, address, phone number, and email address on a brochure and hand it in to any staff member. You will be connected with one of our nurses.

We are looking forward to serving our fellow parishioners in this Spirit-led endeavor.
