Pentecost marks the end and the goal of the Easter season. For Christians, it is a memorial of the day the Holy Spirit descended on the apostles and the Virgin Mary in the form of fiery tongues, an event that took place fifty days after the Resurrection of Jesus. The Paschal mystery -- the Passion, the Death, the Resurrection, and the Ascension of Jesus -- culminates in the sending of the Holy Spirit by the Father (at the request of His Son), on Jesus' disciples. The feast also commemorates the official inauguration of the Christian Church by the apostolic preaching of St. Peter, which resulted in the conversion of 3000 Jews to the Christian Faith. Pentecost is, thus, the official birthday of the Church. But years ago, *This Rock Magazine* reported that there were 34,000 Protestant denominations which mean that, on the average, more than sixty-nine new denominations had sprung up every year since the Reformation began in 1517. So whose birthday is it anyway? You could say, Pentecost is the birthday of the Church Jesus established nearly 2,000 years ago. Today's Scripture readings remind us that Pentecost is an event of both the past and the present. The main theme of today's readings is that the gift of the Holy Spirit is something to be shared with others. In other words, the readings remind us that the gift of the Holy Spirit moves its recipients to action and inspires them to share this gift with others. *Vatican News*

Help Outpace Poverty, with Catholic Charities during the month of May when we host a (*Virtual*) 5K Run/Walk that benefits our work in addressing poverty. Many of the features you have enjoyed in the past will remain the same, only we will not necessarily all be in one place, at one time. Instead, we will ask our team members to participate individually or if together, maintaining at least the 6 ft. suggested social distance. The funds raised by this event have taken on heightened importance: at-risk families are struggling even more in these anxious and uncertain times. They may have lost wages or even their employment due to restaurant, retail and venue closures. School closures may mean that their children have lost food security as part of their educational day. And an unfortunate number will deal with the actual illness. We are seeing a large increase in requests for assistance, and we will be there to answer the need. You can be part of that answer by registering at www.outpacepoverty.org. The registration fee of \$25 includes a t-shirt. Please contact Nancy Butters, Development Manager, with questions or help registering at nbutters@ccharities.com or 816-659-8266.
