FROM FATHER' PEN:

At last I move boldly into the 21st Century. I now have a small computer to help me communicate with the whole parish in a more efficient way. I am slowly learning how precious this parish is to the whole community. I asked the parish to do the Bishop's Appeal in one day. You have done that. Our parish goal was \$3,700. We have sent the Diocese \$4,900. Well done! Our Property Committee has been working to find a company to do the work on our elevator. I believe that effort is beginning to pay off. I have also been approached concerning a new sound system for our church; moving the organ from the choir loft to the front of the church; and also floor covering for the priest's sacristy. Finally, I was asked about some updating of the church design. I am positive about all of these things, as long as they come from the people and are popular with our parish family. This week we have celebrated the funeral of a great civic leader, Paul Wrabec. In the future when we have a funeral at either parish, daily morning mass will be cancelled on the day of the funeral.

“ENVISIONING OUR FUTURE” BREAKFAST AND PARISH MEETING :

SUNDAY, NOVEMBER 21st AFTER 9:30 MASS

For the past several months, the 6 parishes in our Deanery XI have been involved in a process to provide input on the possibilities for the future.

There have been site visits, meetings with parish leader representatives and studies of area and parish data. A report on the findings with possibilities for the future has been compiled by the Diocese and will be presented at this meeting. The meeting will take between 60 and 90 minutes and the agenda will include a great breakfast, presentation of data, discussing findings of “possibilities for vibrant ministry” that will include small group discussions and completing a response survey form. Suggestions and comments from parishioners at the meeting will be a very important opportunity to help shape a future plan for our parish and will be taken back to the next Deanery meeting in December to be turned in and evaluated. You can review the “Key Findings and Observations Report” which is available on the diocesan website at: <https://kcsjatholic.org/i-ii-xi-keyfindings/> Password: **D3mograph!c\$1211** prior to the meeting, however this does not contain specific Parish statistics it is just a general report of statistics for Deanery XI. Please plan on attending this important event to help shape the future of St. Cyril's!!
