**OCTOBER: THE MONTH OF OUR LADY OF THE ROSARY**

Pope Leo XIII was devoted to Our Lady of the Rosary, producing 11 encyclicals on the subject of this feast and its importance in the course of his long pontificate. In the first of them, 1883's "Supremi Apostolatus Officio," he echoed the words of the oldest known Marian prayer (known in the Latin tradition as the "Sub Tuum Praesidium"), when he wrote, "It has always been the habit of Catholics in danger and in troublous times to fly for refuge to Mary." "This devotion, so great and so confident, to the august Queen of Heaven," Pope Leo continued, "has never shone forth with such brilliancy as when the militant Church of God has seemed to be endangered by the violence of heresy ... or by an intolerable moral corruption, or by the attacks of powerful enemies."
