Practicum students

The Human Resources team at Catholic Charities of Kansas City-St. Joseph has built strong working relationships with local colleges and universities, serving as a host agency for students seeking to complete their practicum in social work. On-site students put into practice the theories they have learned in the classroom in a real-world setting, with supervision. This opportunity helps to build a relationship for potential employment down the road while providing the wisdom and experience of our directors, program managers, and staff. Currently there are three practicum students partnering with Catholic Charities from Park University. If you want more information on setting up a practicum at Catholic Charities, contact Melissa Watson at 816-659-8224 or mwatson@ccharities.com.
